

Lauren Mann

ASSOCIATE

Specialization

Lauren specializes in providing local and national firms with the real estate advisory services necessary in the leasing, sales, acquisitions, and developments of warehousing, distribution, and manufacturing facilities. Her focus is to provide a full service approach to each assignment tailored around the specific needs, objectives, and resources of each client. These services also include: market analysis, feasibility studies, and investment analysis.

Markets Served

Southern California's **Inland Empire** (Riverside and San Bernardino Counties), and in all other markets via our ONCOR International partnership.

Professional

Upon receiving a Bachelor of Science degree in Managerial Economics from the University of California, Davis, Lauren joined the top-producing Zorn Siglar Group at DAUM. As a member of this award-winning team, Lauren quickly carved out a reputation as a tenacious cold-caller and marketer, outworking the competition in uncovering prospects for her team's listings and representing tenants searching for new space.

Lauren specializes in representing owners and tenants in the sale and leasing of warehousing, distribution, and manufacturing buildings as well as land acquisition/disposal, investment property, and sale-leaseback opportunities in the Inland Empire.

By maintaining an extensive database of properties in the Inland Empire, Lauren and the team are able to provide up-to-the-minute analysis of trends in the market and help property owners manage marketplace risk. This information is invaluable to their clients in setting pricing and marketing strategy, thereby positioning their properties for maximum potential. The Zorn Siglar Group quarterly reports are used by major institutional owners throughout Southern California.
