AERIAL PLAN OVERVIEW
ARCHITECTURAL AND LANDSCAPE STUDIES

Peppertree Business Park
Simi Valley, CA
The subject property is strategically located in the beautiful city of Simi Valley, an area known for its excellent quality-of-life, safety, and talented and diverse labor pool. With a variety of amenities, including high image retail shopping, restaurants, parks, historical and cultural tourist sites and luxurious country clubs, Simi Valley is the perfect location for any size business. One of the city's 30 beautiful parks is also located nearby, along with entertainment venues such as movie theaters. Less than 3 miles to the north west is the Simi Valley Town Center, a newly renovated center that boasts high profile stores and restaurants such as Macy's, Best Buy, Lowes and many more. The historical Ronald Reagan Library is located less than 7 miles to the west.

The city of Simi Valley is committed to being one of the most desirable places for business, from its well maintained public infrastructure to its dedicated labor force. Businesses are perennially attracted to this community which is "so close and yet so far" - close to Los Angeles for the amenities of a big city - far enough removed to enjoy the peace, security and quality of country living.

Simi Valley also offers the advantage of lower county business and utility taxes, as well as a city government that encourages businesses to prosper. With easy access to the San Fernando Valley and the Los Angeles area, Simi Valley makes a great place for your organization to call “home”. Just minutes to the east are the San Diego (405) and Golden State (5) Freeways. The Ronald Reagan/Simi Valley-San Fernando Valley (118) Freeway is the arterial spine of Simi Valley. To the west, the Moorpark (23) Freeway connects with U.S. 101 to Northern and Southern California.
