SNAPSHOT

STANTON

The City of Stanton is located in northwestern Orange County. With a population of more than 39,000 in 3.1 square miles, residents enjoy a small town, close-knit community feeling. The City was incorporated in 1956 and has enjoyed growth and prosperity since that time. The City's motto - Community Pride and Forward Vision identifies Stanton as a place where innovation and pride in the community are an important aspect of life. Residents enjoy major retail opportunities, active civic volunteers and business-friendly City organizations. Residents benefit from a wide variety of activities and resources provided by the City, including great parks, a family resource center for mental health and family services, annual holiday events and a variety of recreational programs.

In recent years, Stanton has experienced rapid growth in the commercial, industrial and residential sectors, creating a well-balanced community. Our Community & Economic Development Department has been extremely successful in improving the quality of life in the City through the revitalization of its commercial and residential areas.

The City of Stanton, a municipal corporation, operates under the Council-Manager form of government and provides a full range of quality municipal services through its various operating departments and contracted services. As such, every citizen in the City is a stakeholder entitled to be heard on City issues.
