### Total Vacant W/ Sublet SF

Space that is vacant and ready for occupancy by a user. The space is being offered for lease or sale by the landlord or for sublease by the current tenant.

### Direct Vacancy Rate

Total vacant direct space (vacant space for lease or sale from the landlord or owner) divided by the total rentable square footage for existing buildings only.

### Vacancy W/ Sublet Rate

Total vacant direct space and sublease space divided by the total rentable square footage for existing buildings only.

### Completed in 2023
