

Dennis Marciniak

Vice President

Professional Experience

25 Years Experience in the San Fernando Valley, Santa Clarita Valley, Ventura County and the Antelope Valley.

Daum President's Club Member for top production.

Skilled in assembling diverse teams of professionals to handle all aspects of a project, including site selection, design and construction, marketing and disposition of real estate owned.

Broad client base including high-end office, R&D, manufacturing and warehousing. Clients include businesses in the electronics, aerospace, defense, industrial controls, medical instruments, communications, home-furnishings and environmental engineering industries.

Current projects include the acquisition of the new home of the University of Antelope Valley and the marketing of several developments with products ranging from small free-standing industrial buildings to office condominiums.

Completed assignments include the design and construction of a 130,000 sq. ft. electronics manufacturing facility and a 65,000 sq. ft. corporate headquarters facility for a Fortune 500 consumer electronics company.
