As an Associate at DAUM Commercial Real Estate he has been directly involved in a variety of transactions from Industrial, Office, Retail, Land, and Investments. Beginning his real estate career in 2010 as an intern and now a fully engaged agent he brings a solid base of experience to real estate transactions. Working with senior agents has allowed him to work on numerous significant transactions from beginning to end. The team he works with is one of the best in Southern California in particular the San Gabriel Valley with over 45 years of Combined experience.

Bryan's success can be traced back to his passion for people, and adding value. His commitment to providing professional and honorable service to his clients is his top priority. This passion for success has been a Segway from his previous career as a professional golfer. Bryan has traveled the globe playing in numerous professional golf tournaments. Traveling the world playing golf and interacting with all walks of life has given him a great perspective on the wants of companies and people. He finds himself having the same drive for success in real estate as he once held in professional golf. The same qualities are found... Commitment, Focus, Vision, and Resilience.
