## Professional Experience

Jason earned his real estate license at age 18 while interning at CBRE in Oklahoma City. After becoming the number two industrial and investment producer at a local firm, he brought his years of experience to Orange County. To date, his team has transacted over 1,000,000 SF of industrial property in Orange County and L.A.

Jason holds a BA in Marketing from The University of Oklahoma. In his free time, he enjoys traveling, writing screenplays, playing guitar and spending time with his family.
