Professional Experience

Cole Taylor is an Associate at DAUM Commercial Real Estate Services specializing in Industrial, Office, Retail, and Investment properties in both the Santa Clarita and San Fernando Valleys. Cole graduated from the University of Utah in Salt Lake City, UT with a B.S. in Communications. From his commitment to his clients to his resilient work ethic during transactions, Cole attributes his characteristics to his life-long baseball career and to his time at Utah as a Division 1 collegiate athlete in the Pac 12 conference.

After graduating, Cole transferred his work habits to the Commercial Real Estate Industry where he has thrived. Prior to joining DAUM, Cole worked for NAI Capital, a global competitor in the Commercial Real Estate industry, where he worked as a Broker Assistant and quickly earned himself the title of Associate. Since his transition to DAUM, his teamwork with the veteran agents in his office has proved unprecedented as he looks to glean knowledge from them day-in and day-out.
