Broker Associate

Professional Experience

Gina Bongiovanni is an Associate of DAUM Commercial Real Estate Services in the Santa Clarita Valley, servicing the Greater Los Angeles County since September 2020. After 25+ years of successfully owning and operating her own insurance agency in the SCV for the largest insurance company in the nation, she wanted to take on a new challenge. She enjoys cultivating one-on-one relationships with clients and with her insurance background experience, Gina is an asset to the Commercial Real Estate arena. She is currently studying for her Real Estate Broker's license and will take the exam 2021. Gina loves to learn so she can deliver top notch service to her clients. When she's not connecting prospective sellers, buyers or tenants with their new business location, she can be found spending time with family and friends, playing tennis (and winning!), cooking, volunteering, and cheering on her alma mater, USC, during football season.
