

Kurt Yacko

Vice President

Professional Experience

An Orange County native, Kurt attended Mater Dei High School, where he excelled both academically and athletically, earning college scholarships while also lettering in Baseball. He attended Chapman University, where he earned the Dean's Scholarship. He was team captain from '06-'08, received 1st-team All-American honors each year, and helped lead the team to the College World Series each of those years. In 2008 Kurt was drafted in the 8th round by the Colorado Rockies. He then went on to play six years of professional baseball before retiring. He completed his degree in 2010 and received a Bachelor of Science in Business Administration with an emphasis in both marketing and real estate. In 2019 Kurt was Inducted into the Chapman University Baseball Hall of Fame.

After baseball, Kurt worked for two years in real estate investment and the secondary mortgage industry, where he learned a lot about servicing customers and clientele and the financing and banking aspect of real estate. During that time, he became a licensed Mortgage Loan Originator and managed a portfolio of assets that dealt with properties on a national level. He became comfortable and proficient at reading markets, speaking with property owners, tenants, attorneys, city officials, investors, bankers, and many more, which greatly honed his skill and assisted in his next career choice as he moved into the Commercial Real Estate world.

Kurt joined the DAUM team in September of 2015. His expertise includes Full-Service Consultations, vast knowledge of Industrial Facilities and the industrial commercial markets in the greater LA Basin, Investment Opportunities, Commercial & Industrial Developments, Office, and Retail Properties. Kurt has averaged between 30-40 completed transactions each year since 2018. Each and every transaction is treated with the necessary care, time, and due diligence to ensure the satisfaction of the client.

Kurt owes his success to his fervent dedication and yearning to be the best he can be at all times. His competitive nature, drive, and commitment have made him a success time and time again at whatever hand he tries. However, the most important quality for Kurt is his positive attitude and his willingness to always help others and be of service. Kurt brings a unique perspective to the commercial real estate world due to his own unique background.

Kurt is married to his lovely wife Jaime and has two sons, Theodore and Henry, and a daughter Dorothy. Kurt resides in Orange, California.
