

# Lui Salazar

Associate

---

## Professional Experience

Since 1998, Lui Salazar has been brokering companies and equipment in the printing industry. As a result of his 25 years of professional experience, he has a valuable perspective as a business owner and a Commercial Real Estate broker. He understands the needs of owner/users, and investors. He believes that communication and full transparency are the key to a successful relationship and transaction. He can provide his clients personalized service to help them achieve their goals.
