

Man Moon

Associate

Professional Experience

Mr. Moon is an Associate in DAUM's Downtown Los Angeles Office. He has a proven track record of transaction volume of over \$400,000,000 since 2021. Mr. Moon has been in the commercial real estate business for over six years, specializing in financial analysis and due diligence. His strength as a financial analyst for the team comes from his deep background in corporate finance, accounting and financial underwriting. He previously held an accounting/financial manager role in JLL's Corporate Finance Group, serving the entire West Region including California, Seattle, Hawaii, Arizona, and Colorado. Prior to joining JLL, Mr. Moon was with Farmers Insurance. He graduated from the University of California, San Diego with a Bachelor of Arts degree in economics.
