## Professional Experience

Pano Medenas is an Associate at DAUM Commercial Real Estate Services focusing on helping both industrial tenants and property owners throughout Orange County make and/or save money through skillful negotiations. Gathering strategic market and tenant business information through constant daily interactions, both on the phone and in person, Pano brings a wealth of knowledge to every engagement. Teaming up with some of the top industrial brokers in the business, Pano can compete on any level to help solve any pending industrial real estate challenge.

Work/life balance is important. When not hard at work for his clients, Pano enjoys spending quality time with his family, Fiancee, playing with his dog, Meli and when possible, visiting relatives in Greece.
